

## PERMISSION TO PUBLISH STUDENTS' WORK OR IMAGES OF STUDENT

If such images are captured, they would be used for the purpose of educating students and Rotarians, and promoting publicly the Rotary program/s. We are also seeking your permission for Rotary and its officers to publish images and/or samples of your child's activities during and after the exchange.

If you give your permission, Rotary may publish images of your child in a variety of ways, including, but not limited to, online and hard copy newsletters and brochures, Rotary Internet web sites or intranet web sites, annual magazines and local newspapers. If published, third parties would be able to view the photographs and work.

If you sign the attached form it means that you agree to the following:

- Rotary International, its Districts, Programs, Activities, Clubs, Rotary Members, Associated Organisations, Schools and Host Families are able to publish images of your child as many times as it requires in the ways mentioned above.
- Your child's image may be reproduced either in colour or in black and white.
- Rotary will not use your child's image for any purpose other than for the education of students or for the general promotion of Rotary and its Programs.
- Rotary will only publish the first name of the student. Family names will not be revealed. Please note that when linked to sites such as Facebook the account name may be shown dependant on the settings on the students account at that time.

Whilst every effort will be made to protect the identity of your child, Rotary cannot guarantee that your child will not be able to be identified from the image.

If you agree to permit Rotary to capture images of your child, and to publish images of your child in the manner detailed above, please complete the consent form below and return it to Rotary prior to your child's departure from home to Australia. This consent, if signed, will remain effective until such time as you advise Rotary otherwise by written communication to the RYE District Chair Person. (yepchair9465@gmail.com)
